

Thank you for your interest in pursuing the Upper Delaware River Basin Citizens Scholarship.

You have made a commitment to furthering your educational ambitions in agriculture. In order to give us (UDRBC Scholarship Committee) an understanding of your goals and the ideas you may have to not only preserve farming, but to revitalize it here in the Upper Delaware River Basin, we would like to know a few things about you.

Who may apply?

If you have demonstrated a commitment to farming and are presently a high school senior living in the Upper Delaware River Basin, we would like to hear from you!

Essay Questions

1. The UDRBC maintains that Natural Gas Exploration and Development (NGED) provides new opportunities in agriculture in the Upper Delaware River Basin.

Please tell us in 300-500 words your thoughts on why NGED is so important to agriculture and preserving family farming within the Upper Delaware River Basin.

2. Taking advantage of new opportunities is a great way to learn and share your experiences with others who have similar goals and ambitions.

Please tell us in 50-100 words what programs have you participated in (i.e. 4-H) which have allowed you to interact with other people in farming?

3. Giving back to our communities is one of the most admirable traits that we as Americans share.

Please tell us in 50-100 words how you will give back to your community in the future by passing on to others what you have learned and, thus, inspiring future farmers to do the same.

Applications must be postmarked no later than 4/23/19 and submitted via certified mail to:
