

TRIBUTE TO CHUCK COCCODRILLI

It is with great sadness that we announce the passing of Chuck Coccodrilli after a long illness. Our dear friend and founding member of UDRBC, Chuck was an inspiration and a true patriot to a nation that needs many more like him. An avid sportsman, he never let his disability limit him and was in the thick of every endeavor of ours fighting for property rights. He will be remembered as a person who gave hope to everyone he met. He will truly be missed and we pray his family finds peace. Memorial contributions may be made to Camp Freedom Outdoor Adventures for the Disabled, 284 Number 7 Rd., Carbondale, PA 18407.

The following is a photo collage of some of the UDRBC events in which Chuck participated. They include meeting with PA Secretary of DEP Patrick McDonnell in Harrisburg, attending the UDRBC seminars, and participating at the UDRBC booth at the Wayne County Fair.
